(d) if so, the details thereof; and

(e) the steps taken / proposed to be taken to ensure adequate allocation and release of funds for taking up of these schemes?

Answer

MINISTER OF STATE FOR NON-CONVENTIONAL ENERGY SOURCES (INDEPENDENT CHARGE), (SHRI M. KANNAPPAN)

(a) & (b): The Ministry has been undertaking periodic reviews of the progress of various programmes / schemes being implemented by the State Nodal Agencies and other organizations from time to time and necessary corrective measures are taken for successful and timely implementation of various programmes / schemes in all States including Maharasthra. State-wise targets are not fixed by the Ministry except for Biogas, Improved Chulha and Solar Photovoltaic Programmes. The details of the targets and achievements made during the last three years (including the current financial year) as on 31.10.2001 under these three programmes in Maharashtra are given in the Annexure-I. The achievements made under other programmes of the Ministry during last three years i.e. 1998-99 to 2000-01 in Maharashtra are given in Annexure-II.

(c),(d)&(e): The exploitation of the potential of non-conventional programmes/schemes depends upon the availability of financial resources both public and private, technical feasibility and economic viability of the projects and the technologies available. The Ministry has been considering all proposals including those from Maharastra on the basis of merit and the fulfillment of existing terms and conditions.
